The Foundation enhances existing charitable activities system-wide by leveraging the power of the BURGER KING® brand to gather and distribute funds globally. The BURGER KING® system is committed to supporting local, national and global communities through the Foundation.

What does the Foundation support?

The Foundation administers the BURGER KING® Scholars Program and the BK™ Family Fund.

- The HAVE IT YOUR WAY® Foundation has made significant enhancements to the **BURGER KING® Scholars Program** to offer employees and students in our communities more benefits. This year, all Company and Franchise restaurant, corporate and field employees, children of employees and high school seniors are eligible to apply for a BURGER KING® Scholars award. There are also more ways to use the scholarships which include accredited educational programs such as computer and language courses, as well as colleges, universities, vocational or technical schools.

This year, the Foundation awarded \$1.45 million in scholarships, with over \$100,000 going to franchise and company restaurant employees. To date, the BURGER KING® Scholars Program has awarded over \$15 million dollars in scholarships nationwide.

- **The BK™ Family Fund** was established as a way to provide support to members of the BURGER KING® family in their time of need. The BK™ Family Fund provides short-term financial assistance to company or franchise employees who experience emergency hardship as a result of a natural disaster, death or serious illness. The BK™ Family Fund is here to help YOU or a coworker in a time of need. To date, the BK™ Family Fund has awarded over \$900,000 to members of the BK® family.
